

## FAST TRACK SUMMER MUSIC CAMP

### Music Submission Guidelines

Submit two music and video selections as MP3s, YouTube.com, SoundCloud, or Bandcamp links of projects you have recorded and/or mixed either in a recording or live performance setting. You may choose to submit two videos or one video and one music recording, but a video must be included as one of your two submissions.

If you are submitting your own original songs, please submit a lyric sheet along with the video or recording.

You must provide a brief yet detailed description of what you did and how you did it for each selection (i.e. recorded, mixed, equipment used, location, etc.). Please label your materials with your name.

If you are sending links, please email them to [education@grammymuseumms.org](mailto:education@grammymuseumms.org).  
DEADLINE TO SUBMIT IS MAY 21, 2018.

### Scholarship Request Guidelines

There are limited funds available for scholarships to help with camp admission cost. To be considered for a scholarship, you must submit the following information, in addition to all other camp forms. You will NOT be eligible to receive a scholarship if your camp packet is incomplete. The entire packet is due by May 21.

To apply for a scholarship, please submit:

- A letter of recommendation from a teacher/principal/mentor
- A parent's most recent IRS 1040 tax form
- Examples of your work (see "Music Submission Guidelines" above)
- An essay on why you wish to attend this camp (see details below)

**Essay guidelines for scholarship:** Write and submit a 1-page paper with this camp packet. In this essay, please discuss what you want to gain from this camp, whether you plan to study music further whether in school or later in college, and how will apply what you learn to your future musical endeavors. Complete this essay on a separate piece of paper and include in your application packet.
